

LINK Order Form Submittal Information  
USNA Class of 1960 50<sup>th</sup> Anniversary Yearbook  
August 30, 2009

Dear Classmates, Widows or Family Members

We have nearly completed preparation of all content for the USNA Class of 1960 LINK – the 50<sup>th</sup> Anniversary Yearbook – and soon need to firm up contract arrangements with the publisher. In anticipation of this milestone event, we need to know the number of copies to have printed and therefore will now need to receive your orders to determine this total.

For those classmates using email, two copies of the order form have been attached. Most classmates using MS Word will be able to fill out the MS Word version of the form on their computer and print the completed form. Those who do not use MS Word, but have Adobe Acrobat, can print out the PDF version of the form and complete it by hand.

For those classmates, widows, or family members who do not use email, this mailed information includes a copy of the order form for you to complete, by hand, and mail in with your payment.

The cost for the LINK yearbook is \$50.00 per copy, including postage and handling. We plan to have each copy of LINK mailed out by the publisher prior to our 50<sup>th</sup> Reunion, in October 2010 to the address provided on your order form. If you prefer not to have your copy of LINK mailed to you, but rather held for pick-up at the 50<sup>th</sup> Reunion, please note that on your order form.

The first copy of the LINK yearbook will be complimentary for widows or families of deceased classmates. Additional copies of LINK, if desired, may be ordered at the cost of \$50.00 per copy.

Once your order form and payment (either check or money order) has been received, you will receive an acknowledgement either by e-mail, if your e-mail address was provided, or by regular mail.

This will be the last yearbook published for the Class. Classmate participation in submitting Bios, Reflection & Photos has far exceeded expectations with more than 600 received. With that much class participation, there's bound to be news from many classmates who you haven't heard from in some time. The reviews from LINK staff and company reps have all raved and enthusiastically praised the results. We believe you will thoroughly enjoy the LINK 50<sup>th</sup> Anniversary Yearbook and urge you to purchase your copy as a lasting tie, or Link, with the Class of 1960.

In order to determine the correct number of LINK yearbooks to be printed, we are asking that the order forms be completed and mailed back, with payment, as soon as possible, but no later than November 10, 2009. We need to submit the orders to the publisher to get LINK into their printing queue before Thanksgiving.
